## From the Editor: Thankyou Harry!!!

An era is changing. An icon is leaving. For the last 11 years or so, Harry Hodges W6YOO has been the club's Secretary/Treasurer, a person you knew would be there, and that the records would be kept in an efficient manner.

### San Diego DX Club Policy

#### on content of

#### DX Bulletin and/or E-mail Reflector

The San Diego DX Club, a group of Amateur Radio operators, interested in the art of DXing, publish a monthly newsletter, and maintains an e-mail reflector where members and officers can post information of interest to other members. The E-mail reflector is NOT an official club reflector. The reflector was created for club use, but it is privately owned.

Our policy is to print and/or post only information that is related to Amateur Radio, and not items of a political or religious nature, unless it has an impact on Amateur Radio, such as antenna ordinances, etc.

If a member wishes to have printed/posted any topic that is not Amateur Radio related, they can submit a copy to the club newsletter editor, webmaster, e-mail reflector moderator or any club officer, and the matter will be discussed and decided upon by the Board of Directors. **No PERSONAL attacks** will be allowed in either the newsletter or on the reflector.

**Submissions are due on the 1st Friday after the 2nd Wednesday of each month!!**

## MEETING MINUTES

The San Diego DX Club held its regular monthly meeting on Wednesday, February 27, 2008 at the Sizzler Restaurant, Aero Drive and Murphy Canyon Road. The meeting was called to order at 7:00 p.m. by President Dorey, WN6K. There were 40 members and guests present.

Guests recognized were: N6FF and KD1JKL.

Top Ten awards were announced by John, K6AM for 80 and 20 meters. Leading the pack on 80 is Glenn, K6NA and 20 is Uncle Ed, W6KUT.

The presentation of Rookie of the Year went to Bob Kruger, K6DEX.

The subject of the DX Roundtable revolved around memories of Harv Hiller, K6QK and Rod Dinkins, AC6V, both becoming Silent Keys during the month of February. It was interesting how each of their lives touched so many of the members and how much they contributed to Amateur Radio. They left before their time and they will be sorely missed.

Other topics were the Ducie Island DXpedition, VP6DX and their record setting performance.

Terry, N6CW mentioned the estate he was handling.

Those involved in the planning brought us up to date on the Visalia convention.

Also discussed was the 160 meter contest.

## PROGRAM:

The evening's program was presented by Don Bostrom, N6IC of the Southern California DX club a member of the 1978 DXpedition to Clipperton Island. This was fitting as the 2008 group had departed San Diego for Clipperton this very evening aboard the MV Shogun. Clipperton is not a spot that

many people would choose to vacation as the amenities are somewhere between none and non-existent. The 2008 team is headed by our own Bob Grimmick, N6OX and the expedition callsign is TX5C.

## ADJOURNMENT:

There being no further business, the meeting was adjourned at 9:25 p.m.

Respectfully Submitted,  
Harry Hodges, W6YOO  
Secretary/Treasurer

Only a couple of upsets this year, but some very nice gains. Kudos to Jim, W6YI for turning in his 40th zone on 80 meters for 5B WAZ. Also to Rick, N6ND for jumping to within one of the leader, K6NA. Other than that, 20 is pretty well worked out and the top standings should remain cast in stone until we can convince the ARRL to reinstate all the deleted countries.

80 still has some room to grow. Propagation is usually best on 80 at the bottom of the cycle, and we are there.

Each month, we will publish top ten lists for one of the lesser recognized but hard won categories. Coming up next, 15 meters, and the WARC bands. Please send me your totals for each band throughout the year and you will be listed in coming months. Use the convenient form at <http://www.sddxc.org> or bring 'em to the meeting.
